Recycling: It Starts With You

As the holiday season approaches, it's easy to disregard the waste reduction habits we exercise throughout the year. But it is during this time of year, as we count our blessings, enjoy the spirit of the season, and ring in the new year, that we should be especially mindful of waste and the effects it has on our 'aina. Remember, everything thrown away ends up in our landfill.

So reduce, reuse and recycle. It starts with you!

Commonly Recycled Materials

HI⁵ aluminum cans, plastics and glass bottles are considered the most profitable type of recycled materials because they are eligible for deposit refunds. Recycled household metals, plastics and glass are used in the manufacturing of new products.

Paper is another commonly recycled material. Virtually any paper or paper product can be recycled. This includes plain paper, colored paper, newspapers, magazines, phonebooks, paperboard, and corrugated cardboard products.

Other Recyclable Materials

There are many items that are just as important to recycle but are not nearly as well known. These items include ink jet and toner cartridges, computers and peripherals, cell phones, batteries, motor oil, and tires. Many of these items contain toxic materials that can be released into the air, ground or water if not disposed of properly.

Green waste recycling diverts thousands of trees, shrubs and grasses from landfills and makes the resulting mulch available for use in gardens.

Remember to always Reduce, Reuse and Recycle!

PREPARATION OF AND MARKETS FOR RECYCLED MATERIALS

ITEM	DESCRIPTION	PREPARATION	MARKET
Glass Jars & Bottles	Remove lids.	Rinse clean. Sort by HI ⁵ or other glass.	Reused locally as road fill or aggregate.
Green Waste	Yard trimmings	Up to 18" diameter & 5' lengths.	Locally processed as mulch.
Metals	Ferrous /Nonferrous Aluminum/Steel cans White Goods/Appliances	Rinse cans. Sort by HI ⁵ or other metals. Open valves on propane cylinders.	Mainland and Asia scrap metal brokers.
Paper Fiber	Corrugated cardboard, manila folders, fax paper, envelopes with windows, newspapers, brown bags.	Flatten cardboard. Keep clean of oil & food. NOTE: Protect your privacy: Shred as needed.	Mainland and Asia brokers and paper mills. Local packing companies.
Plastic Bottles	#1 and #2 only.	Remove lids. Rinse clean. Sort by HI ⁵ or other plastic.	Mainland and Asia plastic brokers.

DONATE: DON'T DUMP

There are plenty of places to take and buy used items. The yellow pages of your phone book have many listings under these and similar headings:
Antiques • Appliances-Used • Automobile Parts & Supplies-Used & Rebuilt • Bicycles-Used • Books-Used
Collectibles • Consignment Shops • Furniture-Used • Second Hand Stores • Thrift Shops

For details on our County's recycling programs, visit www.recyclehawaii.org.
